## Football

**Year 10 – Boys Cup Final – 4-1 win against Heath Park!**

After another successful season for the U15's boys' football team, they finally claimed some much deserved silverware. The boys finished second in the league - only losing 1 game, which unfortunately was the final game of the season. However, after last year's disappointment of losing on penalties, the team were determined to bring home some silverware this year. They ran out 4-1 winners on the night against a very good Heath Park team. As a result of this they are officially U15 Wolverhampton City Cup champions.

## Basketball

Junior NBA Regional Finals – our Year 7 team brilliantly made it to the NBA Junior League Regional Finals. Upon reaching the finals they lost to The Twycross House School 26-22 and in their second game they lost 32-16. Despite being beaten in their final two games they represented Moseley Park fantastically - and still secured 4<sup>th</sup> place overall in the tournament out of 150 schools!
