

## Year 7 literacy and numeracy catch-up premium

In 2019/20 a total of £16,348 was awarded to Moseley Park for supporting pupils with low prior attainment at Key Stage 2. In order to support these pupils, the money has been allocated to:

- Additional staffing in Learning Support, English and Maths to allow for smaller teaching groups and co-ordinated waved interventions
- Recruitment of internal specialist support services to address barriers to learning, including emotional and social well-being
- Additional staffing in Learning Support to provide regular breakfast and after school clubs
- One-to-one intervention support programme for English and Maths delivered by specialist teachers
- Resources to support the Lexia reading programme
- Peer and adult reading mentors
- Additional learning resources for Literacy and Maths, including online learning platforms
- Creation of a handwriting programme with a focused delivery for a period of time, carefully monitored and tracked to support progress across the curriculum
- Provision of a homework and reading club after school, including increased access to ICT resources
- Pupils that have received support through the Lexia programme have made significant gains in their reading ages, resulting in a wider and fulfilled access to the wider curriculum
