YOU BETTER[®]

The tablet screen shows the 'Engineering Apprenticeship Finder' website. At the top, there is a navigation bar with 'NEXT GEN MAKERS' logo and links for 'Areas', 'Case Studies', 'Careers Info', and 'Video Library'. Below this is a horizontal menu with location tabs: 'Sandwell', 'Dudley', 'Walsall / Cannock', 'Wolverhampton', 'Birmingham', and 'Redditch / Bromsgrove'. The main heading is 'Engineering Apprenticeship Finder' with a gear icon. A central image shows a person in a workshop. Below the image, the text reads: 'Looking for an Engineering Apprenticeship? Knowing that you'd like to do an Engineering Apprenticeship is one thing, finding the right one is another. Fortunately, we're partnered with numerous Colleges and Training Providers that recruit Engineering Apprenticeships for thousands of local businesses each year. Check out the steps below to see how this Apprenticeship Finder can help you'.

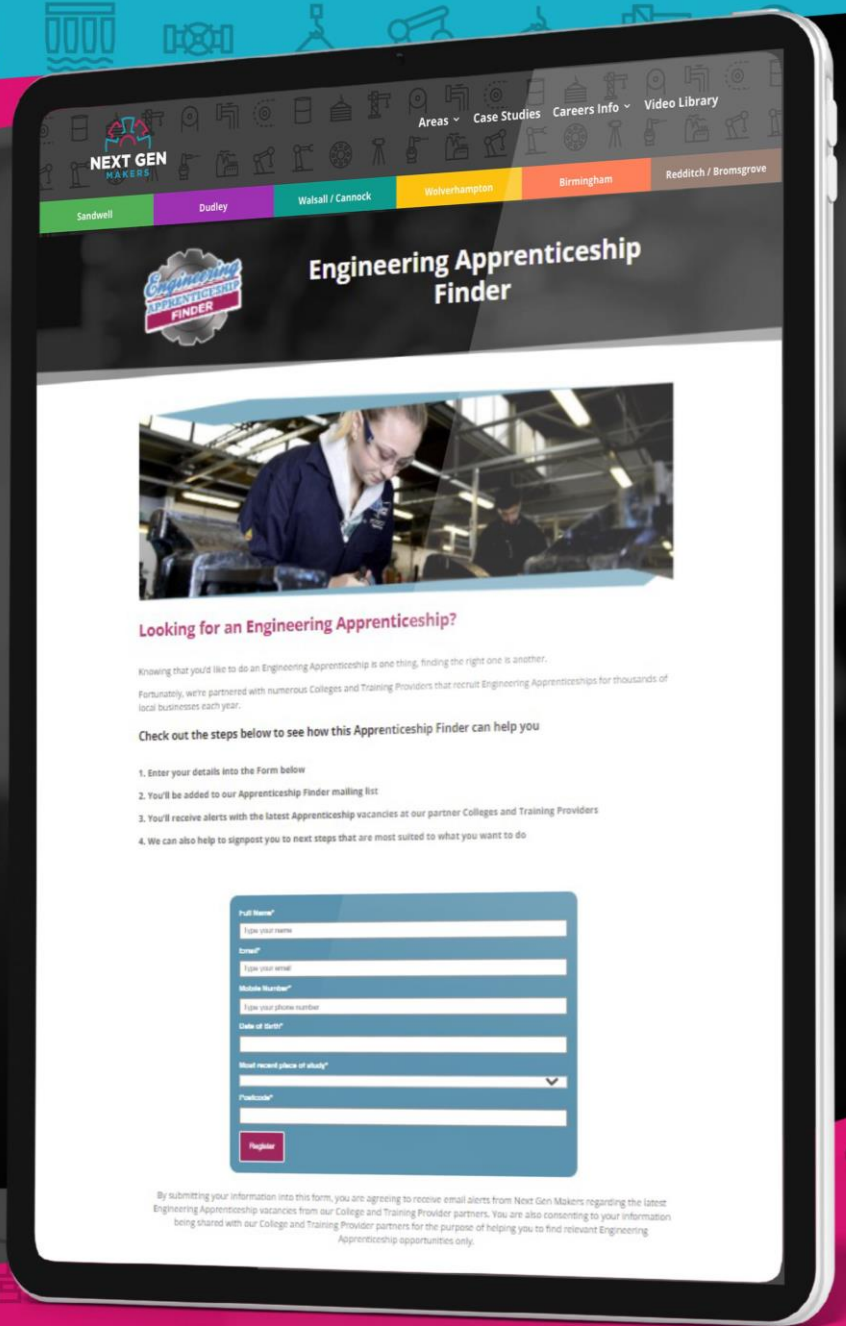

1. Enter your details into the Form below
2. You'll be added to our Apprenticeship Finder mailing list
3. You'll receive alerts with the latest Apprenticeship vacancies at our partner Colleges and Training Providers
4. We can also help to signpost you to next steps that are most suited to what you want to do

Below the text is a registration form with the following fields:

- Full Name* (with sub-fields for first name and last name)
- Email* (with sub-field for your email)
- Mobile Number* (with sub-field for your phone number)
- Date of Birth*
- Most recent place of study* (with a dropdown arrow)
- Postcode*

A 'Register' button is located at the bottom of the form. At the very bottom of the page, there is a small disclaimer: 'By submitting your information into this form, you are agreeing to receive email alerts from Next Gen Makers regarding the latest Engineering Apprenticeship vacancies from our College and Training Provider partners. You are also consenting to your information being shared with our College and Training Provider partners for the purpose of helping you to find relevant Engineering Apprenticeship opportunities only.'
