

Implementation: Curriculum maps Geography

Year 7

	Autumn term 1	Autumn term 2	Autumn term 3	Autumn term 4	Autumn term 5	Autumn term 6
Content	Local geography and fieldwork skills	Weather and extreme weather. Extreme weather	Cities, Countries, Continents and Oceans.	Crime. Local. National. Global.	Environmental and climate change.	Sustainability? Global environmental issues?
Key skill	Fieldwork and mapping skills.	Diagrams, photos, and research.	Atlas and research skills.	Fieldwork, mapping, and research skills.	Research and source/photo analysis.	Research and source/photo analysis.
Key questions	Is Moseley Park a good neighbourhood activity. Human.	Is weather becoming more extreme. Physical.	What are the physical and human characteristics of different countries and continents? Human and physical.	How can the risk of crime in the local environment be reduced? Human.	Can we stop climate change? Human and physical.	Are we destroying our planet? Human and physical.
Assessment	Can include: <ul style="list-style-type: none"> • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Prouds Lane decision making. (Decision making.)	Can include: <ul style="list-style-type: none"> • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Monsoon investigation. (Manipulating data.)	Can include: <ul style="list-style-type: none"> • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. What connections do Year 7 have with India? (Collecting	Can include: <ul style="list-style-type: none"> • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Is the area around school a pleasant community?	Can include: <ul style="list-style-type: none"> • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. What are the impacts of climate change? Analysis of resources,	Can include: <ul style="list-style-type: none"> • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Landfill or incineration? Decision making revisited.

			and presenting data.)	Analysing secondary data.	especially photographic ones.	
Reading & literacy	News articles from the Express and Star.	News articles from national newspapers and from the BBC.	Research activities based upon different websites.	News articles from the Express and Star.	News articles from national newspapers and from the BBC.	News articles from national newspapers and from the BBC.

Year 8

	Autumn term 1	Autumn term 2	Autumn term 3	Autumn term 4	Autumn term 5	Autumn term 6
Content	Ecosystems.	The active earth.	Population.	Development.	Water on the land.	Water on the land.
Key skill	Resource analysis. Mapping skills. Data analysis. Photo analysis.	Diagram skills. Research.	Data analysis. Resource analysis. Photo analysis.	Data analysis. Resource analysis. Photo analysis.	Diagram skills. Photo analysis.	Diagram skills. Photo analysis.
Key questions	How do ecosystems vary?	How do the impacts of natural hazards vary?	What controls the distribution of population?	What impact does development have upon poverty and development?	What are the different stages of a river's journey?	What are the major coastal and river landforms?
Assessment	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Do we protect Antarctica? Using evidence to support a conclusion.	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Do HICs and LICs experience the same level of threat from a volcanic eruption.	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. (Where do the people live?) Analysis of distributions and densities.	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Is tourism the answer to closing the development gap?	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. Should Mrs Lewis leave her washing on the line? (Or	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT. DO we protect our crumbling cliffs on the coast?

		Key skill tested- Comparing evidence from a secondary resource.		Analysis of development data.	something similar.) Analysis of a hydrography.	Analysis of the power of the stakeholders point of view.
Reading & literacy	BBC science. Ecosystem's vocab. Games.	BBC science. Tectonics vocab.	News articles from national newspapers and from the BBC. Population vocab.	News articles from national newspapers and from the BBC. Development vocab.	BBC science. Hydrological vocab. River's vocab.	BBC science. Coastal and erosional vocab.

Year 9

	Autumn term 1	Autumn term 2	Autumn term 3	Autumn term 4	Autumn term 5	Autumn term 6
Content	Tectonic hazards. Weather hazards.	Climate change. Ecosystems Tropical rainforests	Tropical rainforests Hot deserts	Hot deserts UK physical landscapes. Coastal landscapes in the UK	Coastal landscapes in the UK	River landscapes in the UK
Key questions	<ul style="list-style-type: none"> Natural hazards pose major risks to people and property. Earthquakes and volcanic 	<ul style="list-style-type: none"> Climate change is the result of natural and human factors and has a range of effects. 	<ul style="list-style-type: none"> Ecosystems exist at a range of scales and involve the interaction between biotic and abiotic components. Tropical rainforest ecosystems have a range of distinctive characteristics. 	<ul style="list-style-type: none"> Hot desert ecosystems have a range of distinctive characteristics. Development of hot desert environments creates 	<ul style="list-style-type: none"> The coast is shaped by a number of physical processes. Distinctive coastal landforms are the result of rock type, 	<ul style="list-style-type: none"> The shape of river valleys changes as rivers flow downstream. Distinctive fluvial landforms result from

	<p>eruptions are the result of physical processes</p> <ul style="list-style-type: none"> • The effects of, and responses to, a tectonic hazard vary between areas of contrasting levels of wealth. • Management can reduce the effects of a tectonic hazard. • Global atmospheric circulation helps to determine patterns of weather 	<ul style="list-style-type: none"> • Managing climate change involves both mitigation (reducing causes) and adaptation (responding to change). 	<ul style="list-style-type: none"> • Deforestation has economic and environmental impacts. • Tropical rainforests need to be managed to be sustainable. • opportunities and challenges. • Areas on the fringe of hot deserts are at risk of desertification. 		<p>structure and physical processes.</p> <ul style="list-style-type: none"> • Different management strategies can be used to protect coastlines from the effects of physical processes. 	<p>different physical processes.</p> <ul style="list-style-type: none"> • Different management strategies can be used to protect river landscapes from the effects of flooding.
--	---	---	--	--	--	--

	<p>and climate.</p> <ul style="list-style-type: none"> • Tropical storms (hurricanes, cyclones, typhoons) develop as a result of particular physical conditions. • Tropical storms have significant effects on people and the environment. • The UK is affected by a number of weather hazards. • Extreme weather events in the UK 					
--	--	--	--	--	--	--

	have impacts on human activity					
Key skill	Diagram drawing. Photo analysis. Resource analysis. Data analysis. Mapping activities.	Photo analysis. Resource analysis. Data analysis. Mapping activities.	Photo analysis. Resource analysis. Data analysis. Mapping activities.	Photo analysis. Resource analysis. Data analysis. Mapping activities.	Diagram drawing. Photo analysis. Resource analysis. Data analysis. Mapping activities.	Diagram drawing. Photo analysis. Resource analysis. Data analysis. Mapping activities.
Assessment	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge -	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge
Reading & literacy	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.

Year 10

	Autumn term 1	Autumn term 2	Autumn term 3	Autumn term 4	Autumn term 5	Autumn term 6
Content	Urban issues and challenges	Urban issues and challenges	Urban issues and challenges The changing economic world	The changing economic world	The changing economic world	The challenge of resource management
Key questions	<ul style="list-style-type: none"> A growing percentage of the world's population lives in 	<ul style="list-style-type: none"> Urban change in cities in the UK leads to a variety of social, 	<ul style="list-style-type: none"> There are global variations in economic developm 	<ul style="list-style-type: none"> Some LICs and NEEs are experiencing rapid economic development which leads to significant 	<ul style="list-style-type: none"> Major changes in the economy of the UK have 	<ul style="list-style-type: none"> Food, water and energy are fundamental to human

	<p>urban areas.</p> <ul style="list-style-type: none"> • Urban growth creates opportunities and challenges for cities in LICs and NEEs. 	<p>economic and environmental opportunities and challenges.</p> <ul style="list-style-type: none"> • Urban sustainability requires management of resources and transport. 	<p>ent and quality of life.</p> <ul style="list-style-type: none"> • Various strategies exist for reducing the global development gap. 	<p>social, environmental and cultural change</p>	<p>affected, and will continue to affect, employment patterns and regional growth.</p>	<p>development.</p> <ul style="list-style-type: none"> • The changing demand and provision of resources in the UK create opportunities and challenges • Demand for water resources is rising globally but supply can be insecure, which may lead to conflict. • Different strategies can be used to increase water supply

Key skill	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.
Assessment	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge -	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge
Reading & literacy	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.

Year 11

	Autumn term 1	Autumn term 2	Autumn term 3	Autumn term 4	Autumn term 5	Autumn term 6
Content	Fieldwork and skills applications.	Fieldwork and skills applications.	Geographical processes, named examples and case study mastery.	Pre-release analysis.	Geographical processes, named examples and case study mastery.	
Key questions	1. Has the regeneration of New Street Station worked? 2. Changes in the cross and long profile at Carding Mill Valley.	1. Has the regeneration of New Street Station worked? 2. Changes in the cross and long profile at Carding Mill Valley.	Content driven by the mock exam.	Key question decided by the pre-release materials.	Content driven by the final mock exam and the needs of the group.	

Key skill	Risk assessment evaluation. Fieldwork planning. Data collection. Data presentation. Data analysis.	Risk assessment evaluation. Fieldwork planning. Data collection. Data presentation. Data analysis.	Knowledge recall. Application of understanding.	Choropleth analysis. Graph analysis. Mapping activities. Data analysis. Resource analysis. Photo analysis. Statistics application. Data presentation.	Knowledge recall. Application of understanding.	
Assessment	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge -	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge	Can include: • Questioning • Low stakes testing/quizzes • Knowledge recall CAT based on key skill & knowledge
Reading & literacy	Data websites. BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	Data websites. BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	Pre-release materials content.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.	BBC science. BBC news items. Newspaper items. Revision websites. Knowledge organisers. Revision guides.
