

CAREERS

BULLETIN

SPRING TERM
YEAR 10

Career of the term

Explore what the day to day activities in the life of a Software engineer are and the skills and entry requirements needed for this career pathway

<https://www.unifrog.org/student/subjects/direct/software-engineering>

Labour market information

The careerometer can be used to explore and compare key information about occupations, help you learn about different occupations and identify potential careers.

It provides access to a selection of UK headline data relating to pay, weekly hours of work and future employment prospects for different occupations, as well as description of the occupation.

https://www.lmiforall.org.uk/explore_lmi/

UK Average	
Weekly Pay £505	Annual Pay £26,260
Hours/Week 37.5h	Hourly Pay £13
Workforce Change (projected)	
Growth 6%	
<small>The workforce is projected to grow by 6% over the period to 2024, creating 1,974,000 jobs.</small>	
<small>This is the average combined for all industries across the UK. The pay and hours are that of an average full-time employee in this job, including bonuses, before tax and deductions.</small>	

Upcoming events

Friday 17th April, whole school careers fayre with colleges, universities and employers, offering a wide range of options for Year 10.

Last Term

Year 10 had a talk from Christopher Harper from Severn Trent. He discussed water treatment, careers and how his day to day work links with science. A follow up trip to the sewage plant for those pupils interested in careers with Severn Trent has been scheduled for February.
