Labour market information

The careerometer can be used to explore and compare key information about occupations, help you learn about different occupations and identify potential careers.

It provides access to a selection of UK headline data relating to pay, weekly hours of work and future employment prospects for different occupations, as well as description of the occupation.

https://www.lmiforall.org.uk/explore_lmi/

UK Average	
Weekly Pay £505	Annual Pay £26,260
Hours/Week 37.5h	Hourly Pay £13
Workforce Change (projected)	
Growth 6%	
<small>The workforce is projected to grow by 6% over the period to 2024, creating 1,974,000 jobs.</small>	
<small>This is the average combined for all industries across the UK. The pay and hours are that of an average full-time employee in this job, including bonuses, before tax and deductions.</small>	

Upcoming guests

The Department for Work and Pension will be attending on Friday 6th February to discuss interview skills with Sixth Form.

Last Term

Last term pupils had the opportunity to attend a pharmacy talk from current students, to cover what it is really like, reasons for studying pharmacy versus medicine and the different fields a pharmacy Masters can take you.

Unifrog Activities

Complete and upload your CV

This will be used to support apprentice application and additional employment for during your studies.

Use the special opportunities tool

Explore the additional funding opportunities based on your circumstances

Unifrog Webinar

Choosing between your university offers

Tuesday 20 January @ 17:30 UK time - 45 mins

Choosing between your university offers

You've applied to university, so what's next? Hear from university experts and a current student to learn how to reply to your offers and what to consider when choosing the best university for you. You'll also find out what happens if you don't.
