

CAREERS BULLETIN

AUTUMN TERM
YEAR 7

Career of the term

Explore what the day to day activities in the life of a nurse are and the skills and entry requirements needed for this career pathway

<https://www.unifrog.org/student/careers/direct/nurse>

Labour market information

The careerometer can be used to explore and compare key information about occupations, help you learn about different occupations and identify potential careers.

It provides access to a selection of UK headline data relating to pay, weekly hours of work and future employment prospects for different occupations, as well as description of the occupation.

https://www.lmiforall.org.uk/explore_lmi/

UK Average	
Weekly Pay £505	Annual Pay £26,260
Hours/Week 37.5h	Hourly Pay £13
Workforce Change (projected)	
Growth 6%	
The workforce is projected to grow by 6% over the period to 2024, creating 1,974,000 jobs.	
This is the average combined for all industries across the UK. The pay and hours are that of an average full-time employee in this job, including bonuses, before tax and deductions.	

Upcoming guest speaker

Janet Smith, Head of sustainability for the NHS, covering the impact of climate change on health and career opportunities in the sector.
