Labour market information

The careerometer can be used to explore and compare key information about occupations, help you learn about different occupations and identify potential careers.

It provides access to a selection of UK headline data relating to pay, weekly hours of work and future employment prospects for different occupations, as well as description of the occupation.

https://www.lmiforall.org.uk/explore_lmi/

UK Average	
Weekly Pay	Annual Pay
£505	£26,260
Hours/Week	Hourly Pay
37.5h	£13
Workforce Change (projected)	
Growth	
6%	
<small>The workforce is projected to grow by 6% over the period to 2024, creating 1,974,000 jobs.</small>	
<small>This is the average combined for all industries across the UK. The pay and hours are that of an average full-time employee in this job, including bonuses, before tax and deductions.</small>	

Upcoming Events

Friday 17th April, whole school careers fayre with colleges, universities and employers, offering a wide range of options for Year 7.

Last Term

Year 7 enjoyed a visit from Transport for West Midlands. They discussed the impact of renewable resources and limiting carbon emissions on the environment. Pupils were encouraged to think more about their journeys and if public transport could be used instead.

Unifrog Activities

Add a career to favourites

Using your quiz insights add careers of interests to your favourites so you can find them on your homepage

Attend a virtual work experience

Create an account on Springpod and attend one virtual work experience. You can pick any subject area, but it will be best to link this to your career aspirations
<https://www.springpod.com/virtual-work-experience>

Add a virtual work experience reflection to the activities tool on Unifrog

Record skills you learnt on your placement and write a reflection.
