

CAREERS

BULLETIN

AUTUMN TERM
YEAR 8

Career of the term

Explore what the day to day activities in the life of an electrician are and the skills and entry requirements needed for this career pathway

<https://www.unifrog.org/student/careers/direct/electrician>

Labour market information

The careerometer can be used to explore and compare key information about occupations, help you learn about different occupations and identify potential careers.

It provides access to a selection of UK headline data relating to pay, weekly hours of work and future employment prospects for different occupations, as well as description of the occupation.

https://www.lmiforall.org.uk/explore_lmi/

UK Average	
Weekly Pay £505	Annual Pay £26,260
Hours/Week 37.5h	Hourly Pay £13
Workforce Change (projected)	
Growth 6%	
<small>The workforce is projected to grow by 6% over the period to 2024, creating 1,974,000 jobs.</small>	
<small>This is the average combined for all industries across the UK. The pay and hours are that of an average full-time employee in this job, including bonuses, before tax and deductions.</small>	

Upcoming guest speaker

Leanne Battison from BWB consulting on careers in STEM, with hands-on activities on Thursday 20th November.
