Dear Parent/Carer

PARENT GOVERNOR ELECTION

I am writing to you to invite you to stand for election as a parent governor or nominate another parent to do so. In our school we have provision for four parent governors and there are currently two vacancies.

The governing body, with the headteacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure its money is well spent.

No special qualifications are needed and the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work. However, we would particularly welcome nominations from parents with leadership or professional experience. Training is available for all governors.

The enclosed sheet summarises the circumstances under which someone cannot serve as a governor. In addition, parents/carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority, are not eligible to stand in these elections. Nominations must be from parents or carers with children at the school on the day that nominations close.

If you would like to stand for election please complete the enclosed nomination form and return it to the school no later than Friday 6 March 2026. You should also include a short personal statement to support your nomination, no longer than 250 words. Should this election go to a ballot, the personal statement will be included on ballot paper. Self-nominations are accepted but if you are nominating another parent, please seek their prior consent!

If there are more nominations than vacancies, the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours sincerely

Mr W Morgan
Head of School

Mrs F Welfair
Associate Head of School

GUIDANCE NOTE

The Seven Principles of Public Life

(originally published by the Committee for Standards in Public Life Chaired by Lord Nolan)

Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family or their friends.

Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts or recommending individuals for rewards or benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest demands.

Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

Holders of public office should promote and support these principles by leadership and example.
